DOMINION ORDERS IN COUNCIL.

[159]

AT THE GOVERNMENT HOUSE AT OTTAWA,
Tuesday, the 23rd day of January, 1900.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

WHEREAS the regulations affecting timber on Dominion Lands, established by the Order in Council of the 17th September, 1889, as well as the amended regulations established by the Order in Council of the 1st of July, 1898, provide that a licensee of a timber berth in Manitoba, the North-west Territories and in the Railway Belt of the Province of British Columbia, shall pay an annual ground rent of five dollars per square mile, except for lands situated west of Eagle Pass in the Province of British Columbia, in which case the annual ground rent shall be five cents an acre:

And whereas representations have been made to the Department of the Interior that the rental of five cents an acre charged for the ground rent of limits between Eagle Pass and Yale is excessive as compared with the rental of five dollars per square mile for limits east of Eagle Pass, the timber in the former tract being inferior to the timber in the latter tract:

And whereas the matter having been referred to the Crown Timber Agent for the Railway Belt in British Columbia, he reports that the representations made are according to the facts,—

Therefore, His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the annual rental of timber berths situated between Eagle Pass and Yale shall be and the same are hereby reduced from five cents an acre to five dollars per square mile, and that the regulations established by the Order in Council of the 1st July, 1898, be amended accordingly.
